Wow, Laura!!! You and Sascha absolutely nailed it! Completely brought the sentiment I wanted to portray, I love the melody and thank you both so much for painting it just as I had imagined-absolutely beautiful, thank you!!

As I am sure you saw from the day, Meghan and her family are so beautiful and I feel blessed to have such a special friend in my life. I haven't spoken to her yet, but will do over the next few days I am sure. I am so glad she received it well, thank you for helping me convey what I wanted to and being the messenger for me when I couldn't be there!

You have been an absolute pleasure to work with and thank you so much for your patience, care and attention. It is because of you that this has been a great success and I can't thank you enough from the bottom of my heart for that.

I believe people cross paths for a reason and you and Sascha were definitely the ones meant to be there on her special day-a big thank you! Please pass on my personal thanks to Sascha too. You have a beautiful musical energy together and I feel lucky to have been able to call upon your services.

Thank you for taking the time to send this to me, I really appreciate it! My husband loved how you both played and commented on how beautiful you sound together!

Thank you for everything.

With deepest gratitude,

Cerri
