Dear Laura,

I so appreciate the beautiful music that you and Sascha played at my son's wedding at the amphitheater in Camden. As soon as we heard some of the selections on your web site, we were very excited to have found you! From our first communication to the big day, I thank you for staying in touch to make sure all the details were attended to and not left to chance.

Thanks so much for the lovely music.

Sincerely,
Carol Chater
